

## Solenoid valve JMFH-5- 1/4,10410

URL:<https://www.sxplc.com/solenoid-valve-jmfh-5-1-4-10410>

### Product data sheet

- |   |
|---|
| • <b>Valve function:</b> 5/2 double solenoid                                  |
| • <b>Type of actuation:</b> Electric  |
| • <b>Construction width:</b> 30.5 mm  |
| • <b>Standard nominal flow rate (standardised to DIN 1343):</b> 1100<br>l/min |
| • <b>pneumatic working port:</b> G1/4   |
| • <b>Operating voltage:</b> Via solenoid coil, must be ordered separately     |
| • <b>Operating pressure:</b> 0.15 MPa ... 0.8 MPa                             |
| • <b>Operating pressure:</b> 1.5 bar ... 8 bar                                |
| • <b>Design:</b> Poppet seat  |
| • <b>Approval:</b> c UL us - Recognized (OL)                                  |
| • <b>Degree of protection:</b> IP65   |
| • <b>Nominal size:</b> 7 mm   |
| • <b>Grid dimension:</b> 32 mm  |
