

Temperature Control 12V/24V/110V /220V Digital Display Temperature And Humidity Controller Meter With Integrated Sensor(12V) STC-3028

URL:<https://www.sxplc.com/temperature-control-12v-24v-110v-220v-digital-display-temperature-and-humidity-controller-meter-with-integrated-sensor-12v-stc-3028>

Product data sheet

- Power supply :110-220VAC \pm 10%, 50/60Hz (or DC12V / DC24V)
- Measurement and control temperature range :-50°C \square +110°C
- Resolution:0.1
- Accuracy: \pm 1°C
- Relay output contact capacity: heating: 10A/240VAC, cooling: 10A/240VCA
- Sensor h-type: imported NTC sensor, line length 1 meter
- Shell material: gray ABS flame retardant plastic case

● Net weight 120g Gross weight 140g
