

## Voltage Regulators,

## NCV33275ST5.0T3G

URL:https://www.sxplc.com/voltage-regulators-ncv33275st5-0t3g

## **Product data sheet**

| Output Voltage:                   | 5 V      |
|-----------------------------------|----------|
| Output Current:                   | 300 mA   |
| Number of Outputs:                | 1 Output |
| Polarity:                         | Positive |
| Quiescent Current:                | 125 uA   |
| Output Type:                      | Fixed    |
| Minimum Operating<br>Temperature: | - 40 C   |
| Maximum Operating<br>Temperature: | + 125 C  |
| Dropout Voltage:                  | 25 mV    |
| Qualification:                    | AEC-Q100 |
| Series:                           | MC33275  |

LDO Voltage Regulators 5.0V 300ma Automotive
