Product data sheet

Maximum number of valve positions

four

Maximum number of valve coils

eight

The nominal suction current of each electromagnetic coil

80 mA up to 25 ms

Nominal current with current reduction

25 mA after 25 ms

Corrosion resistance grade CRC

1- Low corrosion resistance

(During installation)

Paint Wetting Defect Substance (PWIS) Compliance

VDMA24364-B1/B2-L

Product weight

20 g

Shell material

POM

Material Description

RoHS compliance
