### **Product data sheet**

- |  |
|--|
| • <b>Valve function</b> 5/3, closed  |
| • <b>Actuation type</b> Electrical   |
| • <b>Width</b> 26 mm   |
| • <b>Standard nominal flow rate</b> 1000 l/min                                   |
| • <b>Pneumatic working port</b> Sub-base, size 26 mm according to ISO<br>15407-1 |
| • <b>Operating voltage</b> 24V DC  |
| • <b>Operating pressure</b> 0.3 MPa ... 0.8 MPa                                  |
