

3144PD1A1E5B4M5 | Rosemount | 3144P Temperature Transmitter

URL:<https://www.sxplc.com/3144pd1a1e5b4m5-or-rosemount-or-3144p-temperature-transmitter>

Product data sheet

- Product No. : 3144PD1A1E5B4M5
- Product type : 3144P Temperature Transmitter
- 3144P : Temperature transmitter
- Housing style : D1 = Field mount housing, dual-compartment housing, Material aluminium, Conduit entry size 1/2" 14-in. NPT
- Transmitter output : A = 4-20 mA with digital signal based on HART Protocol
- Measurement configuration : 1 = Single-sensor input
- Product certificates : E5 = FM Explosion-proof, Dust Ignition-Proof, and Non-incendive approval
- Mounting bracket : B4 = "U" mounting bracket for 2-in. pipe mounting - All SST

- Display : M5 = LCD display

- **Shipping Weight : 5 Kg**
