Product data sheet

Technical Specifications

Maximum Working Pressure (psi): 20000

Materials of Construction: Stainless Steel 316 For other options contact factory.

Options: High Temperature, Air to Open, Air to Close, Air to Open/Close, Electric 120V AC, 220V AC, 240V AC

Maximum Operating Pressure: 20000 psi, 1379 bar

Orifice Size (inch): 1/4"

Orifice Size: 1/4 inch

Product Series: 2 Way

Connection Type: Medium Pressure

Connection Size: 9/16 inch

Connection Size (inch): 9/16"

Connection Type: Medium Pressure
