

Filter SP-10x25

URL: <https://www.sxplc.com/filter-sp-10x25>

Product data sheet

Material	Carbon steel	Micron	10 um
Connection	Spin-on line filter	Pressure	100 bar
Filter element	SPX-10X25	Working temperature	-20C + 200 C
Sample	Support	Custom made	yes
filter type	hydraulic oil filter	function	oil purification
application area	industry, Metallurgical Industry	Filtration accuracy	1µm~100µm
Filter media	Hydraulic oil, mineral oil	Transport Package	1 Set /Case in Export Wooden Case
