

Relief Valve 289H-42

URL: <https://www.sxplc.com/relief-valve-289h-42>

Product data sheet

Entrance size: 1"

Entrance connection: FNPT

Export size: 1 "

Export connection: FNPT-

Set pressure: 4-15 PSI

Spring body material: alum

Type: Pressure

Safe operation: diaphragm, spring loaded soft product: nitrile O-ring, synthetic gasket

Next step: for label # PSV-40-PSV-210/211PSV 4 to 15 PSI for PSV-40-PSV-210/211PO

TEXT pressure reducing valve 4 to 15 PSI Type-289H-42

Part number P100E375

Spring range: 4 to 15 pounds per square inch
