

valve R900926975

URL:<https://www.sxplc.com/valve-r900926975>

Product data sheet

Industry-specific attributes
Warranty
1 Year
Valve type
Directional Control Valve
Other attributes
Showroom Location
None
Place of Origin
China
Weight
47
Brand Name

REXROTH

Pressure

System pressure

Structure

Inside

Power

30W

Dimension(L*W*H)

200*150*200

Maximum pressure

35MPa

Maximum Flow Rate

80L/min

material

Cast iron

Product name

Flow valve

Application

Machinery

Type

Valves

Connect

Oil Port

Port

G1/4

Payment

T/T

Color

Blue

After Warranty Service

Online support

Package

Carton
