

## Limit switch LVL-B2R52A6WAA-NA

URL: <https://www.sxplc.com/limit-switch-lvl-b2r52a6waa-na>

### Product data sheet

Degree of protection	
Connection	
Material	F16 housing: P made F18 housing:  process co
Mass	device with F16  - 500 m - 1000 m - 1500 m
Dimensions	max. ?85 mm (3 L = 500 mm, 10

Process connection		thread thread 1-1/4 - 1
Installation conditions		
	Installation position	see s
Process conditions		
	Process temperature	-40 ..
	Medium pressure limits	max. working pre
	Thermal shock resistance	
	State of aggregation	
	Solid contents	
	Bulk density	?
