

Bearing SGS-M8 9255

URL:https://www.sxplc.com/bearing-sgs-m8-9255

Product data sheet

Specifications
M8
Based on standards
ISO 12240-4
Corrosion resistance grade CRC
1- Low corrosion resistance
Paint Wetting Defect Substance (PWIS) Compliance
VDMA24364-B2-L
ambient temperature

1/2

Product weight 54 g **Material Description** RoHS compliance Outer ring material brass Shell material Galvanized steel Inner raceway material steel

Nut material

-40 °C ... 150 °C

2/2
