

load lifting limiter -QCX-DA

URL:<https://www.sxplc.com/load-lifting-limiter-qcx-da>

Product data sheet

Comprehensive accuracy: $\pm 5\%$ (F.S)	
Rated load: 3-300t	
Sensor overload capacity: 150%	
The protection level of the sensor is IP65, and the protection level of the electrical control box is IP42	
Action error: $\pm 5\%$ (F.S)	
External dimensions of control instrument: length 180 x height 120 x thickness 65 (mm)	
Connecting cable: Sampling RVVP4 \times 0.4mm and above four core shielded cable
