

Thermostatic Expansion Valve

SVE-5-CP100

URL:<https://www.sxplc.com/thermostatic-expansion-valve-sve-5-cp100>

Product data sheet

URI Part Number:

SVE5CP100

Vendor Part Number:

129789

Shipping Weight (Lbs.):

1.86

Available Thermostatic Charge:

A/C, 100 Lb. Limit

Available Thermostatic Charge Code:

CP100

Capillary Length:

5

Connection Size Inlet (In.):

1/2

Connection Size Outlet (In.):

7/8

Connection Type:

ODF inlet x ODF outlet

Element Size:

83

Equalizer:

1/4 ODF

Nominal Tons:

5

Nominal Tons_Sort:

5.0

Note 1:

5/8 M flare inlet and outlet

Overall Length (In.):

5.19

Refrigerant:

R22, R407A, R407C

Use with:

R22, R407A, R407C

Prop65:

WARNING: This product can expose you to chemicals including Lead, which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more
