

DIN rail power supplies for 3-phase system QT20.241

URL:<https://www.sxplc.com/din-rail-power-supplies-for-3-phase-system-qt20-241>

Product data sheet

AC Input voltage:AC 380 - 480 V ($\pm 15\%$)

Harmonic correction:active

Power factor:0.94

Input inrush current limitation:active

Input inrush current:3 A
