

Cord socket 150YZ-5K

URL:<https://www.sxplc.com/cord-socket-150yz-5k>

Product data sheet

Main performance indicators:

Project parameters

Operating voltage 400V/500V

Operating current 150A

Altitude \leq 4500 meters

Ambient temperature -40 °C~55°C

Insulation resistance > 100M Ω normal

Contact resistance \leq 0.5m Ω

Withstand voltage 2800V AC

The maximum surface temperature in the operating state is 130°C

Enclosure rating IP54

Mechanical life 500 times

Impact Impact energy E(J) = 3.5
