

## Ind. angular measuring system- PMI360DV-F130-IU2E2-V15

URL:<https://www.sxplc.com/ind-angular-measuring-system-pmi360dv-f130-iu2e2-v15>

### Product data sheet

Measurement range	
Adjustment range	2 switch frames
Rotational speed	
Operating voltage	
Reverse polarity protection	rev
Repeat accuracy	
Resolution	
Temperature drift	0.02
No-load supply current	
Time delay before availability	
MTTF <sub>d</sub>	
Mission Time (T <sub>M</sub> )	
Diagnostic Coverage (DC)	
LED yellow 1	switchin

LED yellow 2		switchin
LED PWR/ERR		Status display L
LED U/I		Activat
Output type		2 switch outputs F short-circ
Operating current		
Switching hysteresis		
Voltage drop		
Short-circuit protection		
Output type		current output c 4 . 0
Linearity error		± 0.6
Standard conformity		
	Standards	
UL approval		cULus Listed, Ger
CCC approval		CCC approval / m
Ambient temperature		-25 .
Connection type		5-p
Degree of protection		
Material		
	Housing	
	Target	mild steel, e. g.
Mass		
Dimensions		
	Height	
	Width
