

## Temperature Transmitter

### 248RAI1Q4

URL: <https://www.sxplc.com/temperature-transmitter-248rai1q4>

## Product data sheet

### Model

Code	Description	
248	Temperature transmitter	

### Transmitter type

Code	Description	
R	Rail mount - single sensor input	

### Output

Code	Description	
A	4-20 mA with digital signal based on HART <sup>®</sup> protocol
