

sensor MBT5250-0000-150-120

URL:<https://www.sxplc.com/sensor-mbt5250-0000-150-120>

Product data sheet

Sensor type

Temperature sensor

Type of temperature sensor

Pt100

tolerance

cl.B

Installation method

G1/2 A

Electrical connections

PG9

working temperature

-50...200°C

Lead

Lead x3

Temperature measurement range

-50...200°C

Installation depth

150mm
