

Breathing valve filter 60186788

URL: <https://www.sxplc.com/breathing-valve-filter-60186788>

Product data sheet

Filter cartridge form: sintered filter cartridge

Usage: Gas liquid filtration

Scope of application: Filter kettle

Applicable to: /

Type: Efficient

Working temperature: / (°C)

Maximum working pressure difference: / (MPa)

Inlet and outlet diameter: / (mm)

Performance: alkali resistance, low temperature resistance, high temperature resistance, anti-static, acid resistance

Raw water pressure:/(KG/c □)
