

## **Automatic atomizing nozzle ST-5-0.5**

URL:https://www.sxplc.com/automatic-atomizing-nozzle-st-5-0-5

## **Product data sheet**

Is it imported	
no	
Customized processing	
no	
type	
Automatic spray gun	
brand	
Fuso Seiki	
model	

1/3

Nozzle diameter
zero point five
texture of material
brass
Scope of application
Spray painting operations in various industries
Spray distance
300[mm[
Coating supply method
Pressure delivery type
Spray volume of paint
85[ml/s[
product name
injector

ST-5-0.5

2/3

purpose
Can be used for various purposes such as painting
Mixed method
Internal hybrid spray gun
Special spray gun
Automatic spray gun
power
nine hundred
weight
zero point three one five
Maximum output pressure
one hundred

3/3
