Ethernet IP 2-Port DLR,1756-EN3TR

URL:https://www.sxplc.com/ethernet-ip-2-port-dlr-1756-en3tr

Product data sheet

With optical interface
Supporting protocol for TCP/IP
Supporting protocol for DeviceNet
Supporting protocol for other bus systems
Redundancy
IO link master
Supporting protocol for DeviceNet Safety
Supporting protocol for EtherNet/IP
Power dissipation
Thermal dissipation
Enclosure type rating
Ethernet ports
CIP unconnected messages
Current draw
Ethernet cable

Wiring category	
Communication rate	
Connections supported, max	
Isolation voltage	3
