

Increased Safety Explosion-proof Plug YGC-EX5P8P

URL:<https://www.sxplc.com/increased-safety-explosion-proof-plug-ygc-ex5p8p>

Product data sheet

1. Shell material: high-strength aluminum alloy
2. Contact: copper alloy coated with gold
3. IP grade: IP67
4. Mechanical life: 1000 times
5. Rated voltage: 250 V
6. Maximum rated current: 16A
7. Contact resistance: $\leq 2\text{m}\Omega$
8. Voltage withstanding: AC1500V

9. Number of contacts: 8

10. Insulation resistance: $\geq 2000\text{m}\Omega$

11. Rated current: 16A
