

cylinder-RM/8020/M/EX/40

URL:<https://www.sxplc.com/cylinder-rm-8020-m-ex-40>

Product data sheet

Magnetic piston as standard

Conforms to Is0 6432

High strength, double crimped end cap design

Corrosion resistant

Buffer or adjustable cushioning

Nose mounting nut and piston rod locknut as standard

Medium: Compressed Air

Standard: ISO 6432

Port Size□G1/8

Operation □ Double acting

Stroke length □ 40 mm

Cylinder diameter □ 20 mm
