

## solenoid valve R900561288

URL: <https://www.sxplc.com/solenoid-valve-r900561288>

### Product data sheet

Connection diagram	ISO 4401-03-02-0-05
Product family	WE6../E
Operating pressure, max. [bar]	350
Max. flow [l/min]	80
Spool symbol	Symbol J
Type of connection	Subplate mounting
Size	6
Type of actuation	with solenoid actuation
Number of ports	4
Number of switching positions	3
Supply voltage	24 VDC
Electrical connector	Connector, 3-pole (2 + PE)
Electrical connection description	Connector 3-pole (2 + PE) according to EN 175301-803
Hydraulic fluid	HL,HLP,HLPD,HVLP,HVLPD,HFC
Seals	NBR
Weight [kg]	1.99
