

PH Measuring electrode- CPS11-2BA2ESA

URL:<https://www.sxplc.com/ph-measuring-electrode-cps11-2ba2esa>

Product data sheet

electrode type $\square 2$ zero point $E_o=7.0+Pt100$

Application scope $\square BA$ 0-14pH, 0..135°C, 16 bar; Steam disinfection is possible

Electrode length $\square 2$ 120mm

Joint form $\square ESA$ Process connection Pg13.5; Top 68 plug-in connectors; Explosion proof occasions
