

sensor BCS M30BBI2-POC15D-S04K

URL:https://www.sxplc.com/index.php?route=product/product&product_id=6321

Product data sheet

Dimension

Ø 30 x 79 mm

Series

M30

Thread (A)

M30x1.5

Installation

for flush mounting

Connection

Connector, M12x1-Male, 3-pin

Switching output

PNP Normally closed (NC)

Switching frequency

100 Hz

Range

2...15 mm

Sensitivity

Switching distance adjustable

Housing material

PBT

Material sensing surface

PBT

Ambient temperature

-25...85 °C

Operating voltage U_b

10...30 VDC

Approval/Conformity

CE

UKCA

IP rating

IP67
