

Proximity sensor sensing stainless steel housing EI 1204 PPOSS

URL:<https://www.sxplc.com/proximity-sensor-sensing-stainless-steel-housing-ei-1204-pposs>

Product data sheet

Specifications

Rated operating distance

4 mm

Installation type

Flush

Diameter

M12

Output type

PNP

Output function

Normally Open (NO)

Connection type

Cable

Housing type

Cylindrical, threaded barrel

Housing material

Metal

Rated power supply

10 V ... 40 V

Degree of protection
