

TD250-02/02Z

URL: <https://www.sxplc.com/td250-02-02z>

Product data sheet

Standards	EN IEC 60947-5-1
Housing material	Grey cast iron, galvanised
Housing coating material	painted
Gross weight	4,383 g

General data - Features

Number of normally closed (NC)	4
--------------------------------	---

Safety classification - Safety outputs

B ₁₀₀ Normally-closed contact (NC)	2,000,000 Operations
---	----------------------

Mechanical data

Mechanical life, minimum	10,000,000 Operations
Impact energy, maximum	7 J
Actuating speed, maximum	1 m/s
