

Mini-relay□0332019150

URL:<https://www.sxplc.com/mini-relay-0332019150>

Product data sheet

Details Parameters

Temperature range from: -40 °C

Temperature range up to: 100 °C

Total resistance: 16 Ohm

Operating voltage from: 31 V

Operating voltage up to: 8 V

Relay function: Normally open contact

Degree of protection of the connections: IP20

Degree of protection of the housing: IP5K4

Number of poles: 5

Switch function: without light switching function

Type of housing: Plastic housing

Color: black/grey

Supplemental information: With holder

Rated voltage: 12 V
