Product data sheet

| | |
|-------------------------------|-----------------------------|
| Type | Solenoid Valve |
| Function | 3/2, 5/2 |
| Actuator Type | - |
| Operating Pressure | 36 ~ 145 PSI (2.5 ~ 10 bar) |
| Orifice Diameter | - |
| Fluid Type | Air |
| Connection Method | Threaded G1/4" |
| For Use With/Related Products | Solenoid Valve |
| Mounting Type | Chassis Mount |
| Features | - |
| Ingress Protection | - |
| Operating Temperature | -20°C ~ 60°C |
