

## **communication module, TM5NS31**

URL: <https://www.sxplc.com/communication-module-tm5ns31>

**Product data sheet**

<b>Range of Product</b>	Modicon TM5
<b>Product or Component Type</b>	Sercos III communication module
<b>Physical interface</b>	RJ45

## Complementary

<b>Range Compatibility</b>	Modicon LMC078
<b>Product Compatibility</b>	Motion controller
<b>Integrated connection type</b>	Ethernet/IP, 2 RJ45 connectors Sercos, 100 Mbit/s
<b>Current consumption</b>	350 mA 5 V DC, base
<b>Device composition</b>	Interface module Bus base ordered separately Power supply ordered separately Terminal block ordered separately
<b>Maximum power dissipation in W</b>	1.75 W
<b>Color</b>	White
<b>Local signalling</b>	1 LED green/red STAT 1 LED green/red Sercos III 1 LED green Sercos III port 1 1 LED green Sercos III port 2
